Helping our customers win is just one of the ways that we work to create more opportunity and growth in the communities we serve. We also love to give our time and talents to support the causes that are close to our hearts at HOLT. Here's our 2021 charitable impact:

Hoopz for Zephany & Special Spaces Makeover

Special Spaces is a nonprofit organization dedicated to creating personalized, unique bedrooms for kids fighting cancer. Our team members raised \$2,000 at our Hoopz for Zephany fundraising BBQ to give a very brave and special girl the space of her dreams, which HOLT matched 100% for a total of \$4,000! Several of our team members also lent their talents during the remodel on the day of the makeover!

Adopt a Family

For the holidays this year, we adopted a local family this year with five young boys ranging in age from five months to six years old. Their family is currently in temporary housing with expenses tied up in their upcoming move. Our team members did an amazing job shopping the family's list and came together to wrap it all.

KIDstruction for St. Louis Children's Hospital

KIDstruction Week supports some of the most important programs and services offered by St. Louis Children's Hospital that aren't covered by insurance, including child life services, art and music therapy, research, and other rising needs of the hospital. We raised money to support this amazing cause through team member donations and a 100% company match in 2021.

HOLT sponsored two kids to go to Midwest Children's Burn Camp in summer 2021 through Burns Recovered, whose mission is to help every survivor of burns and smoke inhalation live life to the fullest without limitations, fear, or insecurity.
